

Contractor Direct Rebate Option Customer Release Form

Please Note: The Water Service Account Holder may be contacted to verify any of the information provided in this form prior to payment of a rebate check to the installing contractor. This form creates a relationship between the Contractor and Account Holder, thus releasing the Account Holder from the ability to receive notifications, rebate funding, and any other information regarding this rebate claim from the SoCal Water\$mart Rebate Program. Signing this form acknowledges that this program only provides monetary rebates to qualifying projects or any devices or technology installed and is not responsible in any manner for any disputes you may have with your contractor.

1. Must provide a current property management agreement showing a relationship between the property management company and the water account holder and / or property owner.

2. It is the sole responsibility of the landlord / property owner to ensure that the tenant is eligible for the SoCal Water\$mart program in which a rebate is being requested. Landlords are encouraged to contact the tenant to verify that account(s) are current prior to purchasing and installing equipment.

Section 4: Qualifications / Terms and Conditions

SoCal Water\$mart, Contract and Program Administrators disclaim any and all liability, loss or damage, and make no guarantees related to:

- Participation in the Contractor Direct Rebate Option, including use or installation of the equipment;
- Loss or delay of rebate check in the mail; and
- Any taxes that may be imposed as a result of participation in the Contractor Direct Rebate Option..

Commercial and Residential Customers are eligible to participate in SoCal Water\$mart if you are:

- A current commercial/residential customer within Metropolitan Water District of Southern California (MWD) service area AND;
- Installing qualifying water-efficient products or equipment in a non-residential space with an active water account(s) for commercial customers, OR;
- Installing qualifying water-efficient products or equipment in a residential dwelling used as the occupants' primary residence AND;
- Have not previously received a rebate from MWD, SoCal Water\$mart, or other water agencies for the same device(s) or device type.

Property Managers are eligible to participate in SoCal Water\$mart if:

- The Property Owner meets the eligibility requirements for the applicable SoCal Water\$mart Program AND;
- You are acting on behalf of the Property Owner and can provide sufficient documentation to ensure that your firm has a current agreement with the Property Owner.

If you are a tenant where this equipment is installed you are responsible for obtaining the property owner's permission to install the equipment for which you are applying for a rebate. Your signature on this Contractor Direct Rebate Option Customer Release Form indicates that you have obtained this permission. Should it be deemed necessary, the Metropolitan Water District of Southern California retains the right to require written proof of the property manager's permission to install the equipment.

All equipment installations are subject to verification inspection by the Program Administrator to ensure that the equipment is properly installed and operating. Tenants must allow, if requested, the SoCal Water\$mart Rebate Program or a Program representative reasonable access to their facility or home to verify the installed equipment. Payment may be withheld until inspections are completed.

Please Note: The Water Service Account Holder may be contacted to verify any of the information provided in this form prior to payment of a rebate check to the installing contractor. **This form is only a check release authorization form and makes no guarantee that the rebate will be approved and a check issued.**
