

## Weather Based Irrigation Controllers Qualifying Products List as of June 20, 2019

Only WBICs that are on EPA WaterSense certified qualify for SoCal Water\$mart rebates.

For more information about EPA WaterSense certified WBICs, visit:

<http://www.epa.gov/WaterSense/products/controltech.html>

Please note: Add-on devices qualify only if packaged and sold as a combined unit with a preapproved controller as listed below. All controller systems must be installed with the proper weather sensor equipment according to manufacturer specifications.

## Weather Based Irrigation Controllers Qualifying Products List as of June 20, 2019

Only WBICs that are on EPA WaterSense certified qualify for SoCal Water\$mart rebates.

For more information about EPA WaterSense certified WBICs, visit:

<http://www.epa.gov/WaterSense/products/controltech.html>

Please note: Add-on devices qualify only if packaged and sold as a combined unit with a preapproved controller as listed below. All controller systems must be installed with the proper weather sensor equipment according to manufacturer specifications.
